Foreword

The thrill of achievement, the disappointment of failure, and the wonder of new ideas—these aspects of everyday school life frequently called to mind as emotions are mirrored in our hopes and accomplishments.

Life this year at Southern has been a composite of these feelings reflected in our activities. This challenge is met by our laughter and tears and upon its achievement is built our future success.

A yearbook should serve as a book of these remembrances —both good and bad for the year it records. We will have succeeded in fulfilling this task if, while reading the 1968 Echoes, this phrase comes to mind—"It Was A Very Good Year."

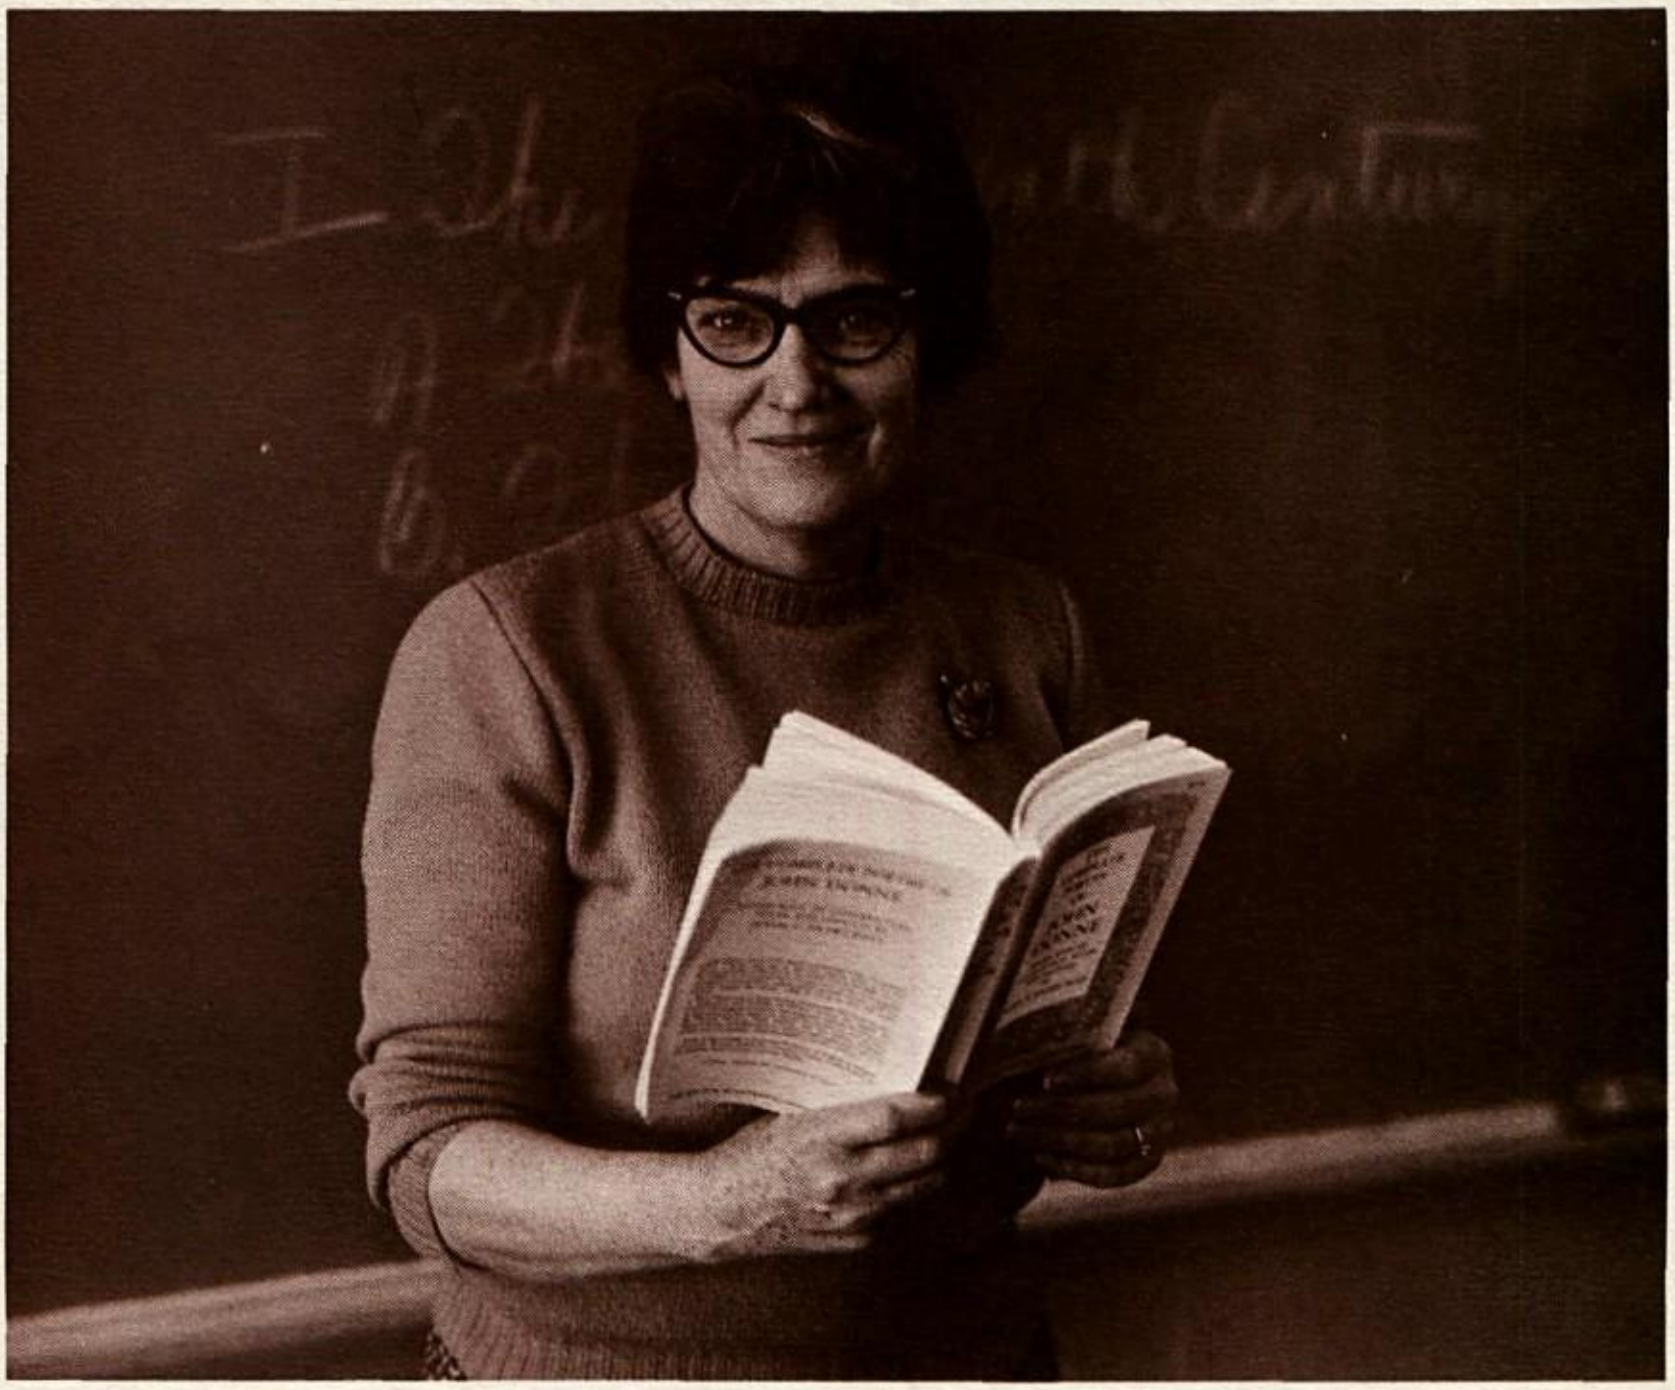
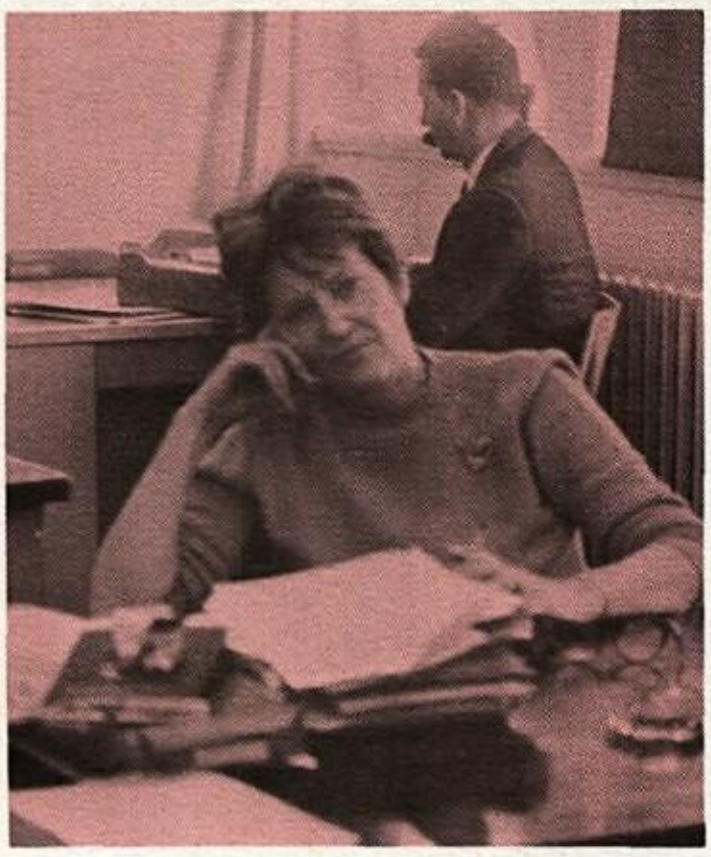
SOUTHERN HIGH
SCHOOL

Dedication

A smile of encouragement to the down-hearted is like a beam of light shining through dark clouds. Instilling initiative in those who have no motivation marks a special achievement. When a teacher recognizes her students as growing adults and listens to their problems with patience and sincerity, the reaction of the student is immediate and positive.

To one who has befriended her students and inspired high ideals, we, the staff of the **'68 Echoes,** dedicate this yearbook to Mrs. Anna P. Jones.

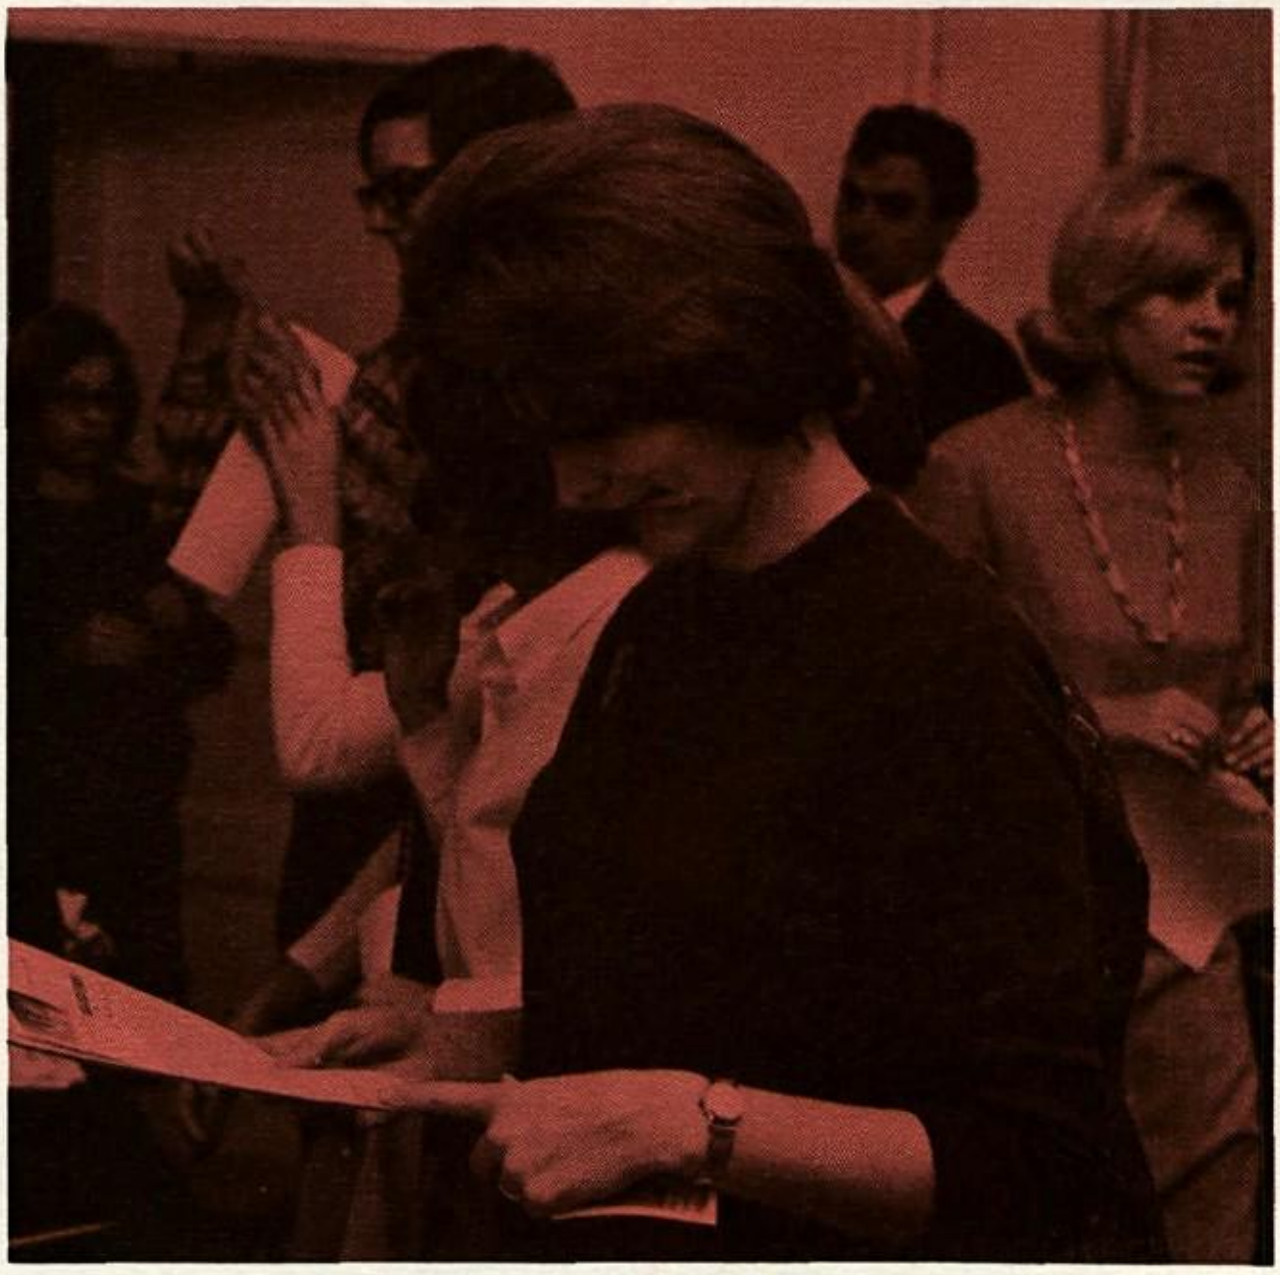




Because she was always there, and always ready to help

Mrs. Esther Redman

receives the special Appreciation of the Staff.



Principal's Message

One of the prime ingredients in making a democratic society function is that of **Trust:** It is certainly true in the operation of a school system. The matter of trust begins at the highest level and dispenses its blessings, or lack of it, to every individual involved. It seems amazing that something so easy to give should so often be found wanting.

To trust your associates requires only the simplest logic imaginable. One needs to grant his associates only the same high resolve and idealism that he reserves for himself. Having erred often himself and being granted self-pardon, he should understand this same frailty in others.

If our community, our faculty and our students deserve any handshakes for the fine job that has been exhibited here at Southern in integrating our faculty and student body, the key is **"Trust"**. Let us all hope that this atmosphere never leaves us.

STUDENT LIFE

Late in the school year, 1966–67, the class of '68 presented the Junior-Senior Prom, "Garden of Paradise". Many members of the class did a great deal of work and worrying in preparation. The effort proved well-spent, as those attending enjoyed everything, including the entertainment provided by the "Soul Masters".

This year began with the school again on split shifts. Freshmen through seniors especially enjoyed the relief of two early four-day weekends.

Juniors are still alive after hours of decorating.

Homecoming once again brought back many alumni. They enjoyed themselves, even though the Bulldogs lost a close game to St. Mary's. At that game Caryn Castro was crowned Homecoming Queen. She reigned in glory that night at the annual dance. The "Order and Disorders" provided the musical entertainment.

Students find lunch relaxing.

The year progressed with assemblies for Thanksgiving and Christmas. The Student Council and the Music Department combined for two fine efforts.

Holiday merriment was enjoyed by many students as the Senior Class presented the Christmas Dance. A large Christmas tree and other decorations acquired, donated, or made by several seniors provided the scene for a night of fun with the "Soul Rockers".

The Senior Class once again did a remarkable job in its presentation of the Sweetheart Dance. There was praise for everything from the decorations to the band, the Mystics. The big event of the evening was filled with excitement as Bill Redman, vice president of the Class of '68, crowned the Sweetheart Queen of 1968, Miss Glenda Dixon.

The '68 football squad had their share of bad luck, but nevertheless they kept their morale and hopes up. The team started off with a 18–13 victory over Northeast. The next few games were quite tough, but even so the coach and the players never let down. This proved itself in the Brooklyn Park game, which was a very defensive game. This season had undoubtedly less ups than downs, but the boys and the coach keep on the go.

Southern Stuns AHS 94

In achieving their 12–7 record this season, the Bulldogs averaged 70.5 points per game while allowing their opponents only 61.7 points. With the help of floor leader Bill Redman, Joe Wilde's precision shooting which averaged 19 points a game, and Ike Creek's rebounding which averaged 14 a game, the team the most successful season in school history.

The highlight of the season proved to be the Annapolis game of March 6. With only two seconds to play, Tom Randall's jump shot pushed the Bulldogs ahead 94–93 to win the game. With that, the packed gym went crazy.

Varsity Eight Boost Spirit

"We've got the best team, nobody's prouder and if you can't hear us we'll yell a little louder." Whether echoed across a football field, a basketball court, or a wrestling mat, these words typified the spirit of the varsity cheerleaders. Practicing long hours during the summer, making posters, and planning original pep rallies were only a small part of the job. Even though their work kept them constantly busy, they were always a source of unfailing enthusiasm.

The class of '70 has been one of the most active Sophomore classes at Southern. Its members were involved in everything from sports to assemblies. Under the leadership of John Hinson, President, and Mr. Hiem, advisor, the Slave Days were originated. Several of the varsity football team members were Sophomores. Some of the most active members of the band, chorus, and Athletic Association were tenth graders. The Sophomores have made themselves an important part of the 1967/68 year.

Freshmen

Tyrone Makell, secretary; George Heider, vice president; Laurie Barton, treasurer; Cassandra Gross, president.

Cheerleading, sports, dances, and other organizations were opened to the ninth graders for the first time. Many ninth graders performed in the band and chorus. Barbara Nelson and Lucy Armstrong were freshman J.V. Cheerleaders. The Vice President of the C.R.A.S.C., George Heider, is a Freshman. They elected Lucy Armstrong and Cassandra Gross to the Homecoming Court. The ninth grade was organized under Cassandra Gross, President, and Mr. Payne, advisor. Clearly the Freshmen have added a lot to the 1967/68 year.

Eighth Grade

The eighth grade started 1967/68 expecting to make it a successful year for the Junior high; and they succeeded. Scott Miller, President, and Mr. Gates, advisor, led the Student Council in its many pursuits. It ran the assemblies, the Christmas food drives, and the sale of the school pictures. Three officers were elected from each homeroom, that aided in homeroom affairs.

Leading the list of activities the eighth grade participated in were the Junior high band and chorus. The majorettes grew from three to six members, the majority from class of '72. Southern should be proud of the eighth grade for all of their achievements.

Seventh Grade

This was a year of many changes for the seventh grade. They went from the oldest to the youngest; from one teacher all day to three or more in one day; from a nine to three schedule to a twelve to five schedule. They enjoyed the privilege of picking a few of their subjects.

The seventh grade elected representatives that helped make the Student Council run smoothly. Each homeroom had its own offices to aid the teachers. The class of '73 participated in the Annual Magazine drive, benefiting the P.T.A. The year 1967/68 was a promising start for the seventh grade.

SENIORS

Seniors

Striving to make '67-'68 the best year ever at Southern, the seniors think that the goal to be the best remembered class at Southern has been fulfilled. The heights achieved by the Seniors could not have been reached without the guidance of Miss Klaas, our advisor. The executive committee, President Debbie Johnson, and Miss Klaas planned the annual Christmas and Valentine's Day dances. The senior play was another of the class projects that was a success through the leadership of the advisor-officer combination. The nostalgia that was in the air during the year was climaxed at Graduation—the end of a very good year.

In Action

This year marks the end of a way of life for the Class of 1968. The seniors leave, never to return as students of Southern High again. We will have to make our way into the adult world and leave the child's world behind. The faculty has tried to prepare us to meet these challenges successfully. The seniors of 1968 will look back with nostalgia to their years at Southern.
